## Why Subscriptions?

**You must either have a standing reservation or make a one-time reservation** for the days you want your dog to attend Day Care Plus. Attendance is by reservation only, and subscription clients will be accepted over non-subscribers if space is limited. **If you reserve dates and your dog does not attend, no credit will be issued.**

Subscriptions are valid only for 30 days following purchase.

Subscriptions **automatically renew each month** unless you cancel them.

**Daily non-subscription rate: \$63**

**Subscriptions will renew monthly from date of purchase.**

**Subscription payment does not equal scheduling; you will still need to reserve your attendance dates in **gingr**.**
